

Fun With Consonant Blends and Digraphs

Directions

1. Cut apart picture rhyming cards, beginning cards, and ending cards.
2. Place picture rhyming cards in a stack face down.
3. Scatter the beginning cards in a group face up. Your child will use these cards to spell the beginning of the word.
4. Scatter the ending cards in a group face up. Your child will use these cards to spell the ending of the word.
5. Ask your child to select a picture rhyming card from the stack and name the pictures. Provide the name of the pictures if needed.
6. Ask your child to choose the beginning and ending cards to spell the word under each picture (the ending card will be the same for both pictures).
7. Help your child blend the sounds together to read each word.
8. Discuss the meanings of any unknown words.
